## Job Announcement

### **Hartford Summer Learning Program Lead Teacher (for various grade levels, K-12)** (These are part-time, short-term positions)

IRIS (Integrated Refugee & Immigrant Services, Inc. [www.irisct.org](http://www.irisct.org)) is a dynamic refugee resettlement agency with offices in New Haven and Hartford, CT. IRIS serves people from all over the world who have fled persecution in their home countries to start new lives and become self-sufficient, contributing members of their new communities. While IRIS has traditionally focused on helping refugees, it is increasingly serving our undocumented neighbors and other immigrants as well.

IRIS is seeking experienced teachers for our 2023 Summer Learning Program (SLP) for recently arrived school-aged refugees and immigrants. Most of our newcomers are English Language Learners (ELL); many are also Students with Limited or Interrupted Formal Education (SLIFE), which means that they may not have grade-level literacy in their home language, that they may lack background/content knowledge, and that they are still learning how to “do school.”

Program dates: TBD, approximately June 21-August 4. The program meets weekdays (excluding the 4<sup>th</sup> of July) from 8:30am to 1:30pm, with an extended day (until 2:30) on Wednesdays. Lead teachers will also be paid for some orientation and course planning during April and May.

#### **General Description**

SLP teachers will lead daily classes of about 10 to 15 refugee and immigrant students and assist with the coordination of daily programming for the IRIS Summer Learning Program as part of a larger team. The program serves 50 to 70 students between the ages of 5 and 18. The students will be divided into separate age and academic level groups which will each be led by an SLP teacher and an assistant teacher, with additional help from volunteers and interns.

The IRIS SLP aims to increase students’ English skills (speaking & listening; reading & writing), background knowledge and overall school readiness; help newcomers become accustomed to and connected with their new homes; promote cross-cultural understanding through positive experiences collaborating with people from different ethnic and racial backgrounds; and foster a sense of belonging and well-being. Teachers will be responsible for creating a positive learning environment and assessing and meeting daily needs of students. Teachers will act as representatives of the Summer Learning Program and of IRIS, and will contribute to organizing visitors and welcoming them to the program.

SLP Teachers must have a commitment to anti-racism. With training and support, teachers will be expected to incorporate classroom activities that help students recognize and appreciate their own and their classmates’ diverse identities and help students gain the cultural competencies

needed to navigate a multicultural society. Teachers must be comfortable anticipating and responding to incidents of discrimination with appropriate mediation and education.

Candidates must be fully vaccinated against COVID-19 and comfortable coming into contact with other people.

In submitting an application for employment, the applicant grants IRIS permission to check references as well as question anyone who might be familiar with the candidate's job performance.
